West Burlington Campus Residence Life Handbook 2012-2013
A Message from the Residence Life Staff

Welcome to Southeastern Community College Residence Halls! The start of another school year and the arrival of new students on campus always bring an atmosphere of excitement and enthusiasm to the college. This year is no exception. Whether you are a new student fresh out of high school, a transfer student from another institution, a student returning to complete your degree after having been away for a while or a continuing Southeastern student, we’re glad you’re here and we want to make sure you have a successful year at SCC.

Residence Life is an important part of your college experience. It is in and around residence halls that a good deal of activity occurs, friendships develop, and memories are made, so we encourage you to get involved and make the most of your time here. Residence Halls are just buildings; it is the residents themselves who make these structures a community and give each hall its personality.

The Residence Life Staff are responsible for the smooth operations of each of the residence halls. It is a huge task and one that they cannot do alone. Each member of the community has an obligation to assist the assigned staff with their duties by reporting problems, attending activities and following college policy. Our goal is to provide you with an environment that is conducive to educational and social growth. We hope SCC will prepare you to be productive, responsible and participating citizens in our ever-changing global society.

Southeastern’s Residence Life Handbook is intended to serve as your guide to the services, facilities, policies, and procedures of the halls. This handbook, in conjunction with your housing contract, serves as your agreement to abide by SCC’s housing regulations; therefore, it is important that you read it and become familiar with its contents. Keep it in your room for future reference.

Best wishes for an enjoyable and rewarding year!

SCC Residence Life Staff

Residence Life Coordinator
The Residence Life Coordinator oversees all resident housing. The Residence Life Coordinator supervises the Residential Advisors, residents, and all operations within the residence halls, to provide a safe and secure environment for all residential students. Any questions or problems that the Residential Advisors cannot resolve should be taken to the Residence Life Coordinator. The Residence Life Coordinator’s office is located at the West Burlington Campus in Enrollment Services in Callison Hall (100 Building).

Residential Advisors
Residential Advisors (RA) reside in the residence halls (Witte and Winegard) and are available to help all resident students. The duties of the Residential Advisors include assisting residents with their adjustment to college life, sponsoring activities, answering questions about the residence halls or the school, handling emergencies, and maintaining college policies and guidelines. The Residential Advisors report directly to the Residence Life Coordinator. At our West Burlington Campus, when students are in need of assistance from a Residential Advisor, it is best to call the on-call Residence Life cell phone (319) 759-2668.

Vice President of Student Services
The Residence Life Coordinator reports directly to the Vice President of Student Services who oversees the entire operation of Residence Life at Southeastern Community College. Any questions or concerns that cannot be answered by the Residence Life Coordinator should be directed to the Vice President of Student Services. The Office of the Vice President of Student Services is located at the West Burlington Campus in the Administrative Office Suite in Callison Hall (100 Building).

Security
Security is on duty seven days a week to assist students in emergency situations, enforce the rules and regulations, and provide the safest environment possible for you. The security officer can be reached by cell phone at (319) 759-1727, but if there is an emergency, please do not hesitate to call the proper authorities.

Custodial/Maintenance
The common areas of each of the residence halls are regularly cleaned and maintained by the custodial staff. Your cooperation in helping to keep these areas clean will be greatly appreciated. If you notice an area in need of repairs, please inform one of the Residence Life staff members so we can inform the maintenance staff.
POLICIES AND PROCEDURES

All residents are expected to be familiar with and abide by the residence hall policies and guidelines set forth in this Residence Life Handbook and the terms and conditions of the residence halls contract. Violations of these rules are handled through the disciplinary procedures of Residence Life and/or through the SCC Code of Conduct and Student Rights.

Residence Life policies may be amended at any time by authority of the Residence Life Coordinator. Amendments are effective upon approval by the Vice President for Student Services and once the Residence Life Staff has made a reasonable attempt to notify residents of the change.

Individuals who pose a clear and present danger to other residents are not eligible to live in campus housing. Registered sex offenders represent a clear and present danger and are not eligible for campus housing.

All residence hall room assignments and room transfers are made without regard to a student's race, religion, sexual orientation, or nationality. Students of the opposite gender may not occupy the same room.

Applicants
The College reserves the right to accept or reject any Residence Hall application. The College shall not discriminate solely on the basis of race, sex, religion, national origin, creed, disability, marital status or age. Applications can be obtained in the Enrollment Services Office.

Violence, Harassment, and Human Rights

Harassment, verbal abuse, physical abuse, and threats of physical abuse in the residence halls are strictly prohibited. Violence and harassment are not tolerated. When a case is reported and documented, severe sanctions will be imposed, including the possibility of housing eviction and college suspension.

Sexual harassment or harassment of any kind will not be tolerated at SCC. If any resident feels he or she is being harassed in any way, they are to notify a member of the Residence Life staff as soon as possible. A resident(s) found guilty of any type of harassment will face disciplinary action including fines, eviction, and/or legal prosecution. Residence Life staff members are mandatory reporters for violence and harassment. Whenever a Residence Life staff receives information about conduct in violation of either of these policies, the staff member will forward the information to the Vice President of Student Services and other appropriate officials to conduct an investigation and/or take disciplinary or legal action.

Standards of Student Behavior in the Halls

Any resident who commits, incites, or aids others in committing any acts of misconduct shall be subject to disciplinary action by Residence Life staff and/or the College. This applies to any resident regarding his/her own actions as well as student or non-student guests. Non-resident students are subject to disciplinary sanctions imposed by the Vice President of Student Services for violating the rules listed
below and for violating any other of the Residence Life policies. Non-student guests found violating resident hall policies may be banned from the residence halls or from campus.

Hall residents are expected to project a good image of the College and to refrain from creating situations which would detract from the image of the College. Any resident who cannot conduct him/herself in accordance with this handbook will be evicted.

In addition to sanctions imposed under these rules, persons living in the residence halls are subject to prosecution in civil or criminal court for their behavior.

**Violations Warranting Eviction**

The following violations are considered significant violations of community standards and would normally result in a student’s permanent suspension from the residence halls, regardless of previous disciplinary history. These examples are not intended to be a complete list; residents may be subject to eviction in other serious circumstances:

- Possession/consumption of drugs or paraphernalia.
- Possession of a large amount of alcohol.
- Physical assault (including sexual assault).
- Possession of firearms.
- Intentionally setting a fire, falsely pulling a fire alarm or causing a fire alarm to occur.
- Serious or repeated misconduct.

**Alcohol Policy**

The possession and/or consumption of alcohol on any College property, including residence halls or at
any college-sponsored event, is prohibited. All students and guests, regardless of age, are not permitted to consume or possess alcoholic beverages in residence halls. Any alcohol found will be destroyed and disciplinary sanctions, including fines ranging from $200 - $700, imposed. Persons found in a room where alcohol is present and/or being consumed are subject to disciplinary action and fine whether or not they were drinking.

The presence of full or empty alcoholic beverage containers (bottles, cans, and cases) is prohibited. This includes containers used as decoration. Severe sanctions, including the possibility of immediate suspension from the residence halls, are imposed upon residents who provide alcohol to others, host gatherings in their rooms where alcohol is served, or possess large quantities of alcoholic beverages, even if there are no prior sanctions on record. In addition, these alcohol violations may be referred to the Vice President of Student Services for disciplinary action, including possible suspension from the College.

Minors in possession may be prosecuted. Students who are unable to function in a safe manner due to consumption of alcohol (public intoxication) and residents who display alcohol advertisements, signs, or empty containers will be found in violation of the alcohol policy and will be dealt with accordingly.

Students who violate Residence Life policies and procedures while under the influence of alcohol and/or drugs will be subject to disciplinary action on the basis of their offenses. Students who are intoxicated in the residence halls may be subject to arrest. Students who are unable to function in a safe manner due to consumption of alcohol (public intoxication), and residents who display alcohol advertisements, signs, or empty containers will be found in violation of the alcohol policy and will be dealt with accordingly. Residents who violate the alcohol policy will be subject to a monetary fine.

Residents are responsible for the behavior of their guests and persons in the company of their guests. If their guests violated the alcohol policy, residents will be sanctioned for the conduct of their guests and persons in the company of their guests.

Drug Policy

(Marijuana and/or Controlled Substances)
Illegal, addictive, dangerous, or controlled substances are not allowed on residence hall property. Possession of drugs or drug paraphernalia, use, manufacture, distribution, or sale of illegal drugs is prohibited. Furthermore, any use of illegal drugs is considered by the College to be self-destructive behavior. Persons found in a room where drugs are being used or are present are subject to disciplinary action whether or not they were engaging in the behavior.

In most cases, West Burlington Police officers will be called to the scene if there is a suspicion of drug use in the residence halls. All residents assigned to a particular room are subject to sanctions for violating the drug policy if illegal drugs are found in the room. If your roommate is involved in illegal activity, you are advised to call the West Burlington Police and contact your Residential Assistant immediately.

A resident found guilty of violating the drug policy will ordinarily be suspended from the halls and will be required to complete a substance abuse program. Residents who violate the drug policy and are allowed to remain in halls will be subject to a fine of $300 - $700.
Residents are responsible for the behavior of their guests and persons in the company of their guests. If their guests violate policy, residents will be sanctioned for the conduct of their guests.

Students who violate Residence Life policies and procedures while under the influence of drugs will be subject to disciplinary action on the basis of their offenses.

**Weapons/Firearms**

For the safety of all residents, the possession or use of any device designated primarily for use in inflicting injury or death upon a human being or animals is strictly prohibited on College property. This may include but is not limited to fireworks, BB or pellet guns, and/or switchblade knives. Anyone who uses, threatens use, or is found in possession of a weapon will be removed from SCC housing. This removal could be a temporary or permanent cancellation of a resident’s housing contract, depending on the severity of the situation and the outcome of an administrative investigation.

**Accidents and Illness**

In case of an accident or extended/contagious illness, notify a Residence Life Staff member immediately, and in case of an accident, a report must be filed with the Residence Life Coordinator within 24 hours.

**Windows**

**DO NOT USE WINDOWS AS ENTRANCE OR EXIT FROM A ROOM!** Windows are intended to bring light and air into the building. If a person is seen passing through a window, they will face disciplinary sanctions. The screens are to remain on the windows at all times. In emergency situations, such as fire, students may pass through the window to reach safety only if it is absolutely necessary. Students are encouraged to leave windows locked to discourage unwanted guests from entering. **Screens removed or damaged will result in a fine starting at $50 and will increase in $50 increments.**

**Doors**

Exterior and security doors are in place for the safety of our residents. **DO NOT PROP THEM OPEN OR DISABLE THEM IN ANYWAY.** When these doors are propped open and/or disabled, unwanted people, animals, and bugs may enter the building. **Residents or guests found propping entry or emergency doors open will result in a disciplinary fine starting at $50 and increasing $50 increments for each subsequent violation.**

You may mount message boards on your room door with double stick tape. Do not write on the doors themselves or a damage fines will be incurred by the room resident(s).

**Candles and Incense**

Burning of incense and/or candles is **NOT** allowed because of the risk of smoke and fire. Smoke detectors in the residence halls will detect smoke from these items and will trip the fire alarm. **Tampering with smoke detectors will result in a fine and possible eviction.** If you smell smoke, contact a member of the Residence Life staff immediately.
**Personal Property**

The College assumes no liability for any loss or damage to the personal property of the resident, except as may be caused by negligent acts of its employees, and SCC does not carry insurance on the personal property of the resident. Each resident should determine if his or her personal property is covered by parents' homeowner's policies or should purchase whatever personal property insurance is desired. Residents are discouraged from keeping large sums of money or valuable property in the residence halls and are encouraged to lock their doors and windows. If a theft occurs, report it to a Residence Life staff member. Any resident found guilty of theft of another resident’s or College property will be evicted.

**Pets**

No pets other than fish will be allowed. Residents found in violation of this policy will be required to remove pets immediately.

**Room Changes**

A student requesting a room change must secure approval from the Residence Life Coordinator. Reasonable attempts will be made to try to accommodate all parties.

**Room/Suite Inspections**

Residence Life staff will perform room/suite inspections throughout the school year. The residents will be notified of these inspections once they are scheduled. The purpose of the inspections is to assess any damages to the room/suites, appliances or furniture provided. If damages are noticed, the Residence Life staff will notify the Residence Life Coordinator who will enter the damage charges onto the student’s account. The resident will be given one month to take care of the charges. Failure to pay the charges will result in eviction. During the inspection, the Residence Life staff will also assess the cleanliness of the room/suite; if the room/suite is not kept clean, the Residence Life staff will give the resident(s) 48 hours to clean according to instructions given by the Residence Life staff. Failure to clean the room/suite will result in the resident’s responsibility to pay for a contracted cleaning company to clean. Common areas (hallways, lounges, stairways, entrances, and areas around the perimeter of the residence halls) will also be inspected. Any damages done to the common areas will be the responsibility of all residents. If the individual who is responsible admits that he/she is responsible, charges will be his/her responsibility. If, after 48 hours of inspection no one has come forward, charges will be divided amongst all residents in a particular residence hall.

**Search and Seizure**

While the College respects the right of privacy of the residents, the College reserves the right to enter rooms without advance notice for the following reasons:

1. To make maintenance repairs, conduct a safety inspection, or conduct routine pest control applications.
2. When there is reasonable cause to believe a threat to life, health or safety exists.
3. When there is reasonable cause to believe illegal activities are going on in the room.
4. When there is reasonable cause to believe that a resident has left the area and a nuisance noise is coming from the room. (i.e. loud television, radios or alarms not shut off)
5. When the Residence Life staff believes campus policy or local, state, or federal laws are not being followed and has been denied permission to enter a room.
6. When a police dog indicates there may be illegal drugs stored on SCC property.

**NOTICE!** If the Residence Life staff believes campus rules are not being followed and permission to enter a room has been denied by the resident, the local authorities (police) will be contacted. When you leave your room, turn off all lights, TVs, radios, and other items that do not need to be on 24 hours a day. **The Residence Life staff has the authority to enter a room for any of the above reasons. You have the right to privacy but if you are infringing on the rights of others or there is a life-threatening situation, then your right to privacy becomes secondary.**

**Security**
For the safety of lives and property of residents, the entryway doors are locked 24 hours a day. Your room key (WIN/WIT) or entry key (MIL) will unlock the entryway doors. The College recommends that all residents keep their doors locked at all times. If there is any suspicious activity around the residence halls, report it to a Residence Life staff member or the campus security officer. Do not hesitate to call the police in emergency situations. **Do not prop the exterior doors open.**

**Smoking/Tobacco Policy**
Under the Smoke-Free Air Act, smoking is banned on the entire SCC campus. The use of smoking or smokeless tobacco products is prohibited in residence hall student rooms and in all public areas. Public areas include hallways, stairways, lobbies, lounges, restrooms, sidewalks, parking lots, etc. Students over 18 years of age may possess and are allowed to store tobacco and legal smoking products but may not use them in the halls or anywhere on campus. Students who violate these state and college regulations will be subject to disciplinary action through Residence Life and/or per the SCC Judicial Code of Conduct and Student Rights and/or via local law enforcement.

**Stereos/Home Theatre Systems**
The residence halls are not built to handle the sounds of a home stereo system. **ONLY** small boom boxes will be allowed. Please respect the rights of others. Multiple noise complaints will result in suspension of these privileges.

**Student Resident Requirement**
A resident must be enrolled at Southeastern Community College during their term of residency. Enrolled is defined as being registered and attending classes as a full-time student (minimum 12 credits) for each of the Fall and Spring Semesters and enrolled in one of the Summer Sessions for the summer. Students who fall below full-time enrollment may be dismissed from the residence halls. If a student completely withdraws from classes during the term, he/she must move out of the residence halls immediately. The College reserves the right to determine whether a resident is attending college classes regardless of whether or not they have officially withdrawn.

**Vacations and Breaks**
During official College vacation periods, the residence halls will be closed. Residents will have to vacate their rooms for those vacation days. The Residence Life Coordinator may approve, prior to the break, a student staying on campus while taking classes over the break or involved in intercollegiate athletics. Anyone who is in the residence halls during this time without prior approval will be assessed a disciplinary action violation as outlined in this handbook. **Students with these types of circumstances MUST get approval to remain on campus from the Residence Life Coordinator prior to the break.**

**Visitors/Guests**

**NO ONE UNDER THE AGE OF 18 SHOULD BE ADMITTED INTO THE RESIDENCE HALLS WITHOUT PRIOR APPROVAL FROM THE RESIDENCE LIFE COORDINATOR.**

A visitor/guest is someone who does not live in the building or a resident from another room or hall. Guests are expected to observe the same policies and guidelines set up by this handbook as well as the SCC Judicial Codes and Conduct Policies set by the College. **Residents are responsible for the behavior of their guests.** Residents may have one overnight guest stay up to a maximum of two nights per month. A resident who wants to have a guest stay, must fill out an overnight guest form and place it in the Residence Life in-box located outside of a Residence Life staff member’s room. This MUST be done no later than 9 p.m. of the night the guest will be staying. **No members of the opposite sex shall be allowed to stay overnight with a resident.** If a resident(s) of another SCC hall violates the visitor/guest policy, appropriate disciplinary action will be assessed to any/all students that are involved per the Residence Hall handbook and/or SCC Judicial Code/Conduct Policy or local, state, and federal law. Those guests that violate any College policies will be disciplined according to the SCC Judicial Code of Conduct, and/or according to local, state, or federal law in addition to the Residence Life Handbook.

**VISITOR/GUEST HOURS**

8 a.m. to 12:30 a.m.

ALL TIMES SUBJECT TO CHANGE

COACHES MAY IMPOSE STRICER GUIDELINES FOR SCC ATHLETES.

- Cancellation of classes and school closings will be announced by radio. The decision will be made by 6:30 a.m. so that proper notification of students and faculty may be given.
- If an emergency situation arises after 4 p.m., students will be notified that classes are dismissing early and there will be a radio announcement made.

Fire Procedures

In the event of a fire, the following procedures should be used:

- Witte Hall – East of Witte Hall in the grassy area across the street

Every effort has been made to ensure the fire-safe construction of the residence halls. Observing common sense and safety consciousness will prevent a careless fire. If the fire alarm goes off, all residents and/or their guests must evacuate the building. **Any resident that does not leave the building during a fire alarm will be assessed a $100 fine.** The exits are clearly marked in each building and fire escape routes are posted in each hall. Fire extinguishers and fire alarms are also easily located. Please make note of the location of these items. Fire extinguishers may be used effectively to contain fires, but do not endanger your safety by using one instead of evacuating the building. USE CAUTION! The Residence Life staff will instruct you on the proper use of the extinguisher. In accordance with State law, unannounced fire drills will be conducted at least twice during each semester. **It is against the law to tamper with fire extinguishers and alarms when the threat of fire is not present; therefore, prosecution of individuals tampering with such items will result.**
Weather
In the event of severe weather, such as a tornado, residents should follow posted instructions and instructions from the Residence Life staff. Severe weather instructions are posted on bulletin boards in the residence halls. The ground floor is the safest place for shelter. Tune to local television/radio stations for information on weather developments.

**Designated Areas for Tornado Shelter:**
- Millennium Hall – 1st floor laundry room/hallway
- Winegard Hall – kitchen/laundry area
- Witte Hall – kitchen/laundry area

Residents must be considerate of others in their use of stereos, televisions, musical instruments, etc. Courtesy quiet hours are **24 hours a day**. The Residence Life staff has the right to determine whether or not a resident is being excessively loud. Mandatory quiet hours start at 10 p.m. Sunday through Thursday & 12 a.m. Friday and Saturday, and end at 10 a.m. every day. Mandatory 24 hour quiet hours are imposed during finals. If a problem occurs, try to resolve the matter yourself, but if you cannot, discuss the situation with the Residential Advisor.
