PROTEUS JOB TRAINING

Proteus is a nonprofit agency dedicated to helping you reach your goal of finding a better, self-supporting job. This funding is available to individuals who have worked on a farm – on a seasonal basis or in a nursery, greenhouse, or winery in the past two years and want to train for a better job in a new field.

How to Qualify for Proteus Financial Assistance

1. Time or Earnings
During a consecutive 12-month period in the past two years, seasonal agricultural employment has accounted for at least 50 percent of the income earned.
2. Family Income
The total family income falls below the established federal guideline.
3. Work Status
Must legally be able to work in the United States.
