All education majors are required to complete 12 credit hours of student teaching. Student teaching involves being in a secondary classroom on a daily basis for at least 16 consecutive weeks. A secondary education certificate offers the professional courses required for licensure in secondary education.

*Students must earn a minimum of 12 credit hours at the 300/400 level in their major from Buena Vista University. All transcripts will be evaluated on an individual basis. If questions should arise, please contact BVU.*
