Demystify Financial Aid November 7th
Southeastern Community College will offer complimentary assistance with completing the Free Application for Federal Student Aid (FAFSA) at its FAFSA Ready Iowa event this Wednesday, November 7th from 3 to 6 p.m. in Room 417. The event is free and open to students of any age or income, regardless of which college they plan to attend. It is recommended that students under age 24 bring at least one parent or guardian. Most traditional college-age students are required to include their parent’s information on their FAFSA, so it’s important that both the student and at least one parent attend.

To complete the FAFSA, students and parents each should bring the following:
- Social Security number, driver’s license number, and date of birth
- 2017 federal and state tax returns
- W-2 forms or other records of income earned in 2017
- Current bank statements and investment records
- Records of untaxed income received last year
- Your A-Number (if not a U.S. citizen)

Students and parents may register in advance for an FSA ID to electronically sign the forms and make future changes. Visit https://fsaid.ed.gov/npas/index.htm for instructions. For more information, visit FAFSA Ready Iowa online at www.icansucceed.org/fafsareadyia.
